DEPARTMENT of PLANNING & COMMUNITY DEVELOPMENT

Mr. Wm. J. Carey -

Attached is an invitation that we are sending to a few "key" government agencies, those which our children have shown a particular interest in.

Please help us out and we can make this a very memorable experience -
 Thank you for all.

DEAR SIRS:

Our city is celebrating its 150th Birthday this year. We would like to make this as memorable an event as we can for all, but especially for our younger citizens.

Most of our events are meant to be "fun" but we would like to include some "historic" events also.

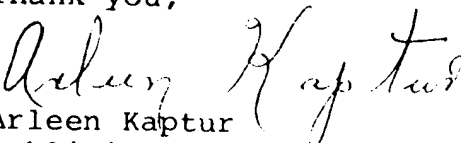

Does your Department ever send anyone out to talk to school kids and tell them exactly what your department is and what it does for people? Do you give out any promotional material that can be distributed so that our children can learn more about your special department and how it relates to their lives?

If you have any local representatives who can come, or if there is a remote chance that you yourself can come and meet our great kids, any date you have available can be arranged and we would more than welcome an opportunity to let our kids meet some of their government's "celebrities" and let them learn about their Federal officials and maybe be inspired to join the ranks in some future career plans and make a notable contribution to our country.

Please contact me if there is any possibility that a visit would be possible.

Thank you for any consideration you may give our request, as this once-in-a-lifetime Sesquicentennial enables us to give a little history to our school children, when it will especially mean something to them.

Thank you,

Arleen Kaptur
